World Crises Search for... Crises Organizations People Data

Crises

All around the world, for one reason or another, people are suffering. Learn what's happening and how to help.

[View Crises](#)

Organizations

Together, anything is possible. Take a closer look at the organizations affecting the world.

[View Organizations](#)

People

Though it may not seem like it, one person can make an impact on the world. Take a look at the people changing the world.

Import

- Clean Import
<Show on site>
- Merge Import
<Show on site>

Navigation

- <Show off navbar>
 - Special feature: most recently updated entries
- <Show off masterpages>
 - Pages at the bottom
- <Show off entry pages>
 - Unseen Implementation: Youtube URLs

Search

Can search ANDs and ORs!

<Demonstrate Search Feature>

<Demonstrate Multi-phrase word>

<Show what fields it searches>

Run Unit Test

108 Tests!

<Talk about unit tests, show some code>

Issue Tracker

<Number of Issues, number resolved,
Milestones>

Issue Tracker

<Merging--we fork and utilize pull requests, excellent way to control source, auto-generates issues>

<Issue Tracker as a to-do list vs. issues only>

Unresolved Issues

<mention list of unresolved issues>

<bugs unable to fix,
features unable to be implemented,
features we'd like to implement in the
future to improve the look of the code>

Single Ladies: the GOOD

- The carousel on the home page
- The simplistic view of the page
- Easy to navigate
- Layout of the data pages
- Utilities are structurally consistent

Single Ladies: the NEW

- How to host a site
- How to create the site
- Research before you implement
- Pros and cons of specialization
- The importance of good source control

Single Ladies: the IMPROVABLES

- Better merge techniques
- Less blank space
- Handling unicode
- RESEARCH!!!
- More user-friendly importing

Single Ladies: the PUZZLING

- How to do a successful merge between two similar pages
- How to find recent information on older topics

ORGANIZATIONS

The American Red Cross

The American Red Cross (ARC), also known as the American National Red Cross

INDIVIDUALS

Bashar al-Assad

Bashar Hafez al-Assad (born 11 September 1965) is the current President of Syria and Regional Secretary of the Syrian-led branch of the Arab Socialist Baath Party. His father Hafez al-Assad ruled Syria for 29 years until his death in 2000. Al-Assad graduated from the medical school of the... [READ MORE](#)

Terminal Home - World Crises R... Untitled 1 - OpenOffice...

Blue Barracudas: the GOOD

- The layout of the home page
- The layout of each type of page
- All tests pass
- The home page has featured pages
- The icons for the page types
- Embedded videos expand to full screen

Blue Barracudas: the NEW

- The importance of simplicity
- Attention capturing is a necessity

Blue Barracudas: the IMPROVABLES

- The colors are overwhelming for the user
- Pictures and Videos in individual pages are in a fixed box
- Merge has not been completed
- Clean import not available
- Font at the bottom is difficult to read

Blue Barracudas: the PUZZLING

- Pictures scroll and have cut-off issues
- Import, Export, Unit tests links are not structurally consistent
